

WANDERLUST

Discover Escape Explore

BRAND STYLE GUIDE

DISCOVER. ESCAPE. EXPLORE.

A practical identity system for a mobile-first travel and outdoor discovery brand.

Visual system inferred from supplied logo + product mockup

DRAFT V1.0 / OCTOBER 2026

BRAND NORTH STAR

The strategy below translates the cues already present in the supplied identity.

TURN CURIOSITY INTO A JOURNEY.

Wanderlust helps people move from inspiration to action - finding places, shaping routes, and collecting experiences with confidence.

1

DISCOVER

Surface the unexpected and make exploration feel attainable.

2

ESCAPE

Create breathing room from routine through vivid, useful inspiration.

3

EXPLORE

Support movement with clear, grounded, map-aware guidance.

BRAND PERSONALITY

Adventurous / Grounded / Welcoming / Capable

LOGO SYSTEM

Protect the distinctive peak-and-path symbol and the bold, condensed wordmark.

PRIMARY HORIZONTAL LOCKUP

Use this full-color lockup whenever space allows.

CLEAR SPACE

Keep a minimum clear zone equal to the height of the "D" in DISCOVER around every edge.

MINIMUM SIZE

Digital: 180 px wide

Print: 38 mm wide

Below minimum, use a vector symbol-only asset.

Production note: obtain SVG/EPS masters before creating reversed, one-color, or symbol-only files.

LOGO USAGE

The mark should feel confident and unforced - never decorative or crowded.

PREFERRED

Full-color on white or mist

APPROVED*

Reversed artwork on pine

APPROVED*

One-color artwork

NEVER

STRETCH

Do not distort or change proportions.

RECOLOR

Do not invent new logo color combinations.

EFFECTS

Do not add shadows, outlines, or gradients.

CROWD

Do not place on busy, low-contrast images.

COLOR PALETTE

A color palette featuring five colors that are bold and clean, with a focus on nature and adventure.

TRAIL PINE

#0E5D5D

Primary / navigation

NIGHT PINE

#0B2F2F

Contrast / overlays

WAYFINDER

#D7A445

Action / highlights

CAMPFIRE

#9E4C3C

Alerts / emphasis

SUMMIT MIST

#F3F3F0

Canvas / space

TRAIL SLATE

#484848

Type / utility

RECOMMENDED BALANCE

55% neutral 25% pine 8% night pine 7% amber 5% ember

Accessibility: use white on pine/night pine; use night pine on amber/mist. Validate body-text pairings to WCAG AA.

TYPOGRAPHY

A condensed display face carries the rugged editorial voice; a neutral sans keeps utility text effortless.

DISPLAY / DIN CONDENSED BOLD

CHASE THE
OPEN ROAD

Use for headlines, section labels, numbers, and short calls to action. Set in uppercase with restrained tracking.

BODY / ARIAL OR PRODUCT SANS

Clear directions.
Confident decisions.

Build hierarchy with weight and space, not decoration. Keep line lengths between 45 and 75 characters and use sentence case for interface copy.

CORE SCALE

H1 48/48 H2 32/36 H3 20/24

Body 16/24 Small 13/18 Label 11/14

PHOTOGRAPHY

Show the feeling of discovery and the information that makes it possible.

DO

Use immersive landscapes and active human moments.

DO

Favor natural light, depth, texture, and a clear focal point.

AVOID

Generic stock poses, heavy filters, and oversaturated scenery.

DIGITAL EXPRESSION

Carry the brand through a simple interface grammar: cards, maps, rounded actions, and calm structure.

INTERACTION RULES

- 01 Amber means “go”**
Reserve the warm accent for primary actions and meaningful highlights.
- 02 Pine provides orientation**
Use pine for navigation, persistent chrome, and trusted structure.
- 03 Ember signals attention**
Use for alerts and exceptional emphasis, never routine controls.
- 04 Let imagery lead**
Keep interface surfaces quiet so destinations remain the hero.

VOICE & MESSAGING

Write like an experienced trail companion: enthusiastic, useful, and never performative.

INVITING

Open the door. Make discovery feel possible, not exclusive.

DIRECT

Use strong verbs, short sentences, and useful specifics.

CURIOUS

Lead with possibility and the thrill of finding something new.

RESPONSIBLE

Respect local communities, conditions, and the landscape.

MESSAGE EXAMPLES

“FIND A DIFFERENT WAY THERE.”

Campaign / inspiration

“ROUTE SAVED FOR OFFLINE USE.”

Product / reassurance

ONE-PAGE FIELD GUIDE

The essentials to keep every Wanderlust touchpoint on trail.

IDENTITY

PURPOSE

Turn curiosity into a journey.

PERSONALITY

Adventurous, grounded, welcoming, capable.

SIGNATURE

Discover. Escape. Explore.

EXPRESSION

COLOR

Pine foundation + amber action + ember emphasis.

TYPE

DIN Condensed display + neutral sans body.

IMAGERY

Immersive places, active moments, useful context.

GUARDRAILS

LOGO

Respect clear space and minimum size.

UI

Rounded cards, pill actions, simple line icons.

VOICE

Inviting, direct, curious, responsible.

NEXT PRODUCTION STEP

Rebuild the logo as SVG/EPS, confirm licensed fonts, then create approved one-color and symbol-only masters.
